

REMARKS

Claims 2-9 are pending in this application. Claims 2-9 are allowed. By this Amendment After Notice of Allowance, claim 4 is amended for clarity. No new matter is added.

The Examiner's Amendment to claim 4, included with the April 17, 2006, Notice of Allowance, when read in the context of the application, does not clearly recite the particular feature of the claim. Although the Amendment uses the same language correctly used in claims 3 and 6, it conveys an improper impression when used in claim 4. Accordingly, claim 4 is amended to clearly recite the feature of the invention.

Respectfully submitted,

James A. Oliff
